

rightnow MEDIA

Helping you
keep active
in your faith

PORTICO®
a community church

Welcome to RightNow Media!

“These days our lives are flooded with digital content.

It’s important that you are wise about what you consume not only as an individual, but as a family.

That’s why I love RightNow Media.

There’s something for everyone to watch that’s not only great quality, but it feeds our minds and souls. My family has their favourite shows and studies that we watch individually. Our small group has used it many times for some new video teaching and discussion material. I know you and your family will not only be entertained, but grow in your faith as you get started using RightNow Media!”

P.S. I am so excited to be providing this resource free of charge to our entire PORTICO church family!

Rick Carrol, Senior Pastor

WHAT IS RIGHTNOW MEDIA?

RightNow Media is an all access video streaming service of solid Biblically-based resources, that are free and can be used anywhere!

HOW DO I ACCESS THIS SERVICE?

You can access RightNow Media in four simple steps:

- Visit PORTICO.cc/rnm
- Create your personal account login and password
- Choose the "channels" or topics that best fit you
- Enjoy 20,000 video resources and content

IS IT ONE ACCOUNT PER FAMILY?

Not at all. In fact, as long as each person has their own email address, we would encourage you to have your own account. However, we would still recommend kids have access through parental supervision.

A SUBSCRIPTION, WHAT IS THAT?

Why does the website talk about a subscription?
As an attendee of PORTICO, your access is fully covered.
You won't be asked to provide a credit card,
nor will you receive a bill.

WHICH DEVICES WORK?

RightNow Media works with:

Computers | Tablets | Smart Phones (iOS & Android)
Apple TV | Roku | Smart TV

Preferred Internet Browsers:

Safari | Chrome | Firefox

HOW DO I GET TECH SUPPORT?

If you are experiencing difficulties with accessing or streaming RightNow Media resources, visit:
